Whatever it may be, the Dist Engr. may safely expect a net addition of Rs 15000/- to the revenue which is the only consideration for arriving at a decision of the water supply question now before Govt. The levy of tolls may be continued subject to the condition that enough traffic is not stopped

Submitted to His Highness

The Municipal Board of Tiptur, Tumkur District, are anxious to improve their revenues in order to provide sufficient funds for the costly water supply project which they have to undertake

Paper under disposal

2 They accordingly propose to levy tolls on carts entering the municipal limits But as this will interfere with through traffic, the Municipal Board were informed that the proposal would be considered only if the levy of toll were limited to such carts as enter the municipal limits for trade or other business within the Municipality, as observed in Government Proceedings No 1660-M1 175-09-4 dated 17th August 1910

3 This limitation has been accepted by the Board and a revised proposal in accordance therewith submitted for consideration The Municipal Board expect a substantial revenue of about R 2,000 from this source

Page 304 of the office note

4 The Members of Council approve of the proposal, and agreeing with them, I recommend the same for the gracious sanction of His Highness
